

TUCSON
ARTHRITIS
SUPPORT
LEAGUE

May 15, 2009

Mr. Jim Kendler, President
Southern Arizona Region, Porsche Club of America

Dear Mr. Jim Kendler and friends of the Tucson Arthritis Support League,

Thank you for allowing our League to be a part of the 28th Annual Cinco de Mayo and Concour de Elegance celebration on May 2, 2009. The beautiful grounds of the Tucson Country Club were a perfect setting for many to see the beautiful Porsche cars on display. We extend our deep appreciation to all who worked so hard for a successful event.

TASL being selected once again as one of the local charities was a tremendous honor. Not only to receive the proceeds from the raffle, it also enabled TASL to provide information about our efforts to assist those with arthritis. Through TASL's hands on projects: Arts and Crafts monthly at Pima Medical Society, Self-Help devices at Tucson Medical Center, and Scholarship Awards for deserving Arizona students with arthritis who strive to attend college and receive a degree in their chosen field.

Again thanking you and the members of the Porsche club for the generous support and concern you continue to extend to TASL as we assist in the needs of those with arthritis.

Sincerely,

Glennis Hummel

Glennis Hummel, President 2009-2010
